

Minutes of June 27, 2020 Kealakekua Bay Estates Homeowners Meeting

This meeting was held on Zoom, due to the social distance requirements of the COVID19 pandemic. We did not have a quorum present and therefore could not vote.

Discussion points:

We talked about coqui eradication and the issue with feral pigs. We are going to continue to pay the coqui hunters to come into the subdivision weekly (coordinated by Linda May) and to have the pig hunters come in when needed (coordinated by Mike Federspiel).

There was also a discussion about changing the gate codes but we decided to continue with the current system.

The Board of Directors met and approved the 2020-2021 Proposed Budget.
